

How global is your school? *Circle the best rating to indicate:*

✓✓ Yes, we are very good at this

✓ Yes, we are good at this but there is room for improvement

✗ No, we are not good at this

diversity

Do learning materials...

✓✓	✓	✗
----	---	---

- highlight similarities between people?
- make connections between local and global issues?
- celebrate local, regional and global diversity?
- challenge us to ask why the world is as it is and suggest how it might be better?

similarities and differences

local and global

Does your school...

✓✓	✓	✗
----	---	---

- encourage learners to feel they can individually and collectively make a difference?
- have recycling, waste reduction, energy saving, ethical purchasing and sustainable development (including school farms and gardens) practices firmly in place?
- have effective and fair ways of dealing with behavioural issues?
- welcome visitors?
- value learners and staff and treat them fairly?
- celebrate and value local and global diversity?
- encourage active links between your school, parents and a range of local communities?

caring

welcoming

self-reflection

Does the curriculum...

✓✓	✓	✗
----	---	---

- explore global issues?
- develop global skills?
- encourage learners to consider the views of others and be prepared to change their own ideas?
- make connections between different subjects and stages?

sustainable development
